GRIEVANCE DESCRIPTION

Dear Sir, With reference to your letter dated 19th sept, 2018, advising the resolution of grievance as "Time Barred", I would like to furnish the facts of the matter in this particular case for your reconsideration:- 1. Manual ITR2 for AY2007-08 was filed on 22nd November, 2007, seeking a refund of Rs. 19,043/-. 2. Receipt of letter dated 1st June, 2009 (Copy attached) from ACIT, circle 1, Thane, determining a refund of Rs. 19,040, and seeking documents towards proof of TDS paid in the government account. 3. In response, a handwritten letter (Copy attached) was delivered at Thane office on 30th June, 2009, along with Form-16 issued by the employer that contained details of TDS deposited in government account on various dates. 4. I had raised a grievance on 7th August, 2017, that was closed on 7th November, 2017, stating the reason as "Refund not issued: refund under process". 5. Post waiting for 1 month, I raised another grievance of non-receipt of refund on 8th December, 2017 that was closed on 19th September, 2018 stating the reason as "Time barred". In view of what is stated above, why I am being penalised for no fault of mine. The refund was determined but not issued even after timely submission of documents. Request you to reconsider the decision and issue a refund for Rs 19,040 plus interest thereon.
